

2006 except as indicated elsewhere in this Act; however, this shall not preclude the placement of additional information into the budget book. For actual fiscal 2005 spending, the fiscal 2006 working appropriation, and the fiscal 2007 allowance, the budget detail shall be available from the Department of Budget and Management's automated data system at the subobject level by statewide subobject codes and classifications for all agencies. To the extent possible, except for public higher education institutions, subobject expenditures shall be designated by fund for actual fiscal 2005 spending, the fiscal 2006 working appropriation, and the fiscal 2007 allowance. The agencies shall exercise due diligence in reporting these data and ensuring correspondence between reported position and expenditure data for the actual, current, and budget fiscal years. These data shall be made available upon request and in a format subject to the concurrence of the Department of Legislative Services. Further, the expenditure of appropriations shall be reported and accounted for by the subobject classification in accordance with the instructions promulgated by the Comptroller of the Treasury.

Further provided due diligence shall be taken to accurately report full-time equivalent position counts of contractual positions in the budget books. For the purpose of this count, contractual positions are defined as those individuals having an employee-employer relationship with the State. This count shall include those individuals in higher education institutions who meet this definition but are paid with additional assistance funds.

Further provided that the Department of Budget and Management shall provide to the Department of Legislative Services with the allowance for each department, unit, agency, office, and institution an organizational chart that depicts the allocation of personnel across operational and administrative activities of the entity.

SECTION ~~34. 33.~~ 34. AND BE IT FURTHER ENACTED, That:
