

location for the construction of a new forensic medical center shall be identified in the report, and all sites identified shall include a site suitability assessment analysis by DHMH and DBM. In determining whether a site is suitable, DHMH and DBM shall consider at a minimum:

- (1) proximity to OCME core functional partners, including the State's Attorney's Office, the University of Maryland Medical System Group, the Johns Hopkins University School of Medicine Institutions, and the Maryland Institute for Emergency Medical Services Systems; and
- (2) the ability to construct a facility, whether it be one or multiple buildings, that meets the present and future operational and functional needs of OCME, and ensures compliance with National Association of Medical Examiners accreditation standards.

Further provided that the budget committees shall have 45 days from the date of receipt of the report for review and comment.

Further provided that no funds shall be expended for the planning, design, or construction of a new forensic medical center until the Part I and Part II program plans for this project have been approved by DEM and notification of DBM's approval has been provided to the budget committees
