

The bonds may be made redeemable before maturity, at the option of the County, at such price or prices and under such terms and conditions as may be fixed by the County prior to the issuance of the bonds, either in the resolution or in subsequent resolutions. The bonds may be issued in registered form, and provision may be made for the registration of the principal only. In case any officer whose signature appears on any bond ceases to be such officer before the delivery thereof, such signature shall nevertheless be valid and sufficient for all purposes as if he had remained in office until such delivery. The bonds and the issuance and sale thereof shall be exempt from the provisions of Sections 9, 10, and 11 of Article 31 of the Annotated Code of Maryland, as amended.

The borrowing authorized by this Act may also be undertaken by the County in the form of installment purchase obligations executed and delivered by the County for the purpose of acquiring easements or similar or related rights in land that restrict the use of agricultural land or woodland to maintain the character of the land as agricultural or woodland. The form of installment purchase obligations, the manner of accomplishing the acquisition of easements, which may be the direct exchange of installment purchase obligations for easement, and all matters incident to the execution and delivery of the installment purchase obligations and acquisition of the easements by the County shall be determined in the resolution. Except where the provisions of this Act would be inapplicable to installment purchase obligations, the term "bonds" used in this Act shall include installment purchase obligations and matters pertaining to the bonds under this Act, such as the security for the payment of the bonds, the exemption of the bonds from State, County, municipal, or other taxation, and authorization to issue refunding bonds and the limitation on the aggregate principal amount of bonds authorized for issuance, shall be applicable to installment purchase obligations.

The County may enter into agreements with agents, banks, fiduciaries, insurers, or others for the purpose of enhancing the marketability of any security for the bonds and for the purpose of securing any tender option that may be granted to holders of the bonds, all as may be determined and presented in the aforesaid resolution, which may (but need not) state as security for the performance by the County of any monetary obligations under such agreements the same security given by the County to bondholders for the performance by the County of its monetary obligations under the bonds.

If the County determines in the resolution to offer any of the bonds by solicitation of competitive bids at public sale, the resolution shall fix the terms and conditions of the public sale and shall adopt a form of notice of sale, which shall outline the terms and conditions, and a form of advertisement, which shall be published in one or more daily or weekly newspapers having a general circulation in the County and which may also be published in one or more journals having a circulation primarily among banks and investment bankers. At least one publication of the advertisement shall be made not less than 10 days before the sale of the bonds.
