

(4) A member who is appointed after a term has begun shall serve for the rest of the term or until a successor is appointed and qualifies.

(d) The Governor shall appoint a successor in the event of a vacancy on the Council.

(e) From among the members of the Council, the Governor shall designate a chairman for a 2-year term.

(f) A member of the Council may not receive compensation but is entitled to reimbursement for expenses under the Standard State Travel Regulations, as provided in the State budget.

7-4A-04.

(a) A majority of the members then serving on the Council is a quorum.

(b) The Council shall determine the times and places of its meetings and any other necessary operating procedures which may include the establishment of subcommittees, consultant panels, or work groups utilizing the expertise of noncouncil and nonpanel members.

7-4A-05.

(a) The purpose of the Council is to coordinate the interagency effort to develop, sustain, and promote quality school-based health centers in Maryland.

(b) In consultation with appropriate State agencies and other interested organizations, including representatives from academic institutions, health care providers, and payors, the Council shall:

(1) Monitor the activities and range of services of the school-based health centers;

(2) Recommend legislative initiatives;

(3) Develop and update a compendium of technical assistance experts that will be used as a reference when local requests for assistance come to the State;

(4) Monitor the development of notifications of available funds;

(5) Participate in the review of grants to local jurisdictions for the development of school-based health care programs;

(6) Develop strategies for funding and reimbursement of care delivered in school-based health centers;

(7) Develop a consistent outcome measurement tool to be used by all school-based health centers in the State and assess the progress of all school-based health centers based on the information collected;

(8) Establish standards of practice within school-based health centers;

(9) Encourage the development of models of excellence in school-based health centers;
