SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Laws of Maryland read as follows:

Article – Tax – Property

9-304.

(d) (1) (i) In this subsection the following words have the meanings indicated.

(ii) 1. “Newly constructed dwelling” means residential real property that has not been previously occupied since its construction and for which the building permit for construction was issued on or after October 1, 1994.

2. “Newly constructed dwelling” includes a “vacant dwelling” as defined in subsection (c)(1) of this section that has been rehabilitated in compliance with applicable local laws and regulations and has not been previously occupied since the rehabilitation.

(iii) “Homeowner” has the meaning stated in § 9-105(a)(3) of this title.

(2) The Mayor and City Council of Baltimore City may grant, by law, a property tax credit under this subsection against the county property tax imposed on newly constructed dwellings that are owned by qualifying owners.

(3) A property tax credit granted under this subsection may not exceed the amount of county property tax imposed on the real property, less the amount of any other credit applicable in that year, multiplied by:

(i) 50% for the first taxable year in which the property qualifies for the tax credit;

(ii) 40% for the second taxable year in which the property qualifies for the tax credit;

(iii) 30% for the third taxable year in which the property qualifies for the tax credit;

(iv) 20% for the fourth taxable year in which the property qualifies for the tax credit;
