

REPORT
OF THE
PRESIDENT AND VISITORS.

*To the Honorable,
the General Assembly of Maryland:*

The President and Visitors of the Maryland Hospital, respectfully submit a general statement of the condition of the Institution, through the report of the Medical Superintendent; which report contains the required information. This officer has discharged his duties with diligence, devotedness and ability, amidst all the difficulties imposed by the condition of the country. The report of the Medical Superintendent, which has been examined by the Executive committee, shows the financial condition of the Institution.

The President and Visitors have great pleasure in testifying to the efficiency and zeal of all the officers and attendants of the Institution, as is manifested by the neatness, cleanliness and good preservation of the entire establishment.

Respectfully submitted,

WILLIAM FISHER, M. D.,
President.

Maryland Hospital, January 12th, 1864.
