

SEC. 8. A copy of all the proceedings of the District meeting shall be made by the Clerk and certified by the Chairman and forwarded to the District Commissioner, by him to be reported to the Board of School Commissioners at the next quarterly meeting. Copy of proceedings.

SEC. 9. Whenever a second School house is erected within the limits of a School District by special district tax voted and levied as before mentioned, it shall be the duty of the County Commissioners to order to be paid out of the County Treasury the sum of one hundred and fifty dollars to be applied to purchase of furniture and apparatus. County to give \$150.

CHAPTER II.—SCHOOL HOUSES.

SECTION 1. In each School District of every County there shall be erected at least one School house conveniently located and properly furnished for the accommodation of all the children entitled to attend the Public Schools. The cost of these buildings and the sites, shall be paid by the County Commissioners, and the title vested in the Board of School Commissioners, *provided, however,* that this law does not apply to such School District as may be declared vacant of population by the County Director, with the consent of the State Superintendent. One House in each District.

SEC. 2. The District Commissioner shall have the care and control of all houses and lands connected therewith within the limits of his district, also, of the furniture, apparatus and other property belonging to the district. He shall attend to all necessary repairs, and charge the cost among the incidental expenses of the School to be paid as such incidental expenses are provided for. Care and control of School Houses
