

To be built according to uniform plans.

SEC. 3. Every School house shall be built and furnished according to plans and drawings, issued from the office of the State Superintendent or according to plans from County Boards submitted to and approved by him, that proper regard may be had to light and ventilation, and other matters that conduce to the comfort, health and good order of the pupils.

Out buildings.

SEC. 4. Every School house site must be provided with suitable out buildings for convenience and decency, also for the protection of fuel and other articles needed for the good order of the School, but not proper to be placed in the School room.

Penalty for injury to School house.

SEC. 5. If any person shall wilfully injure any School house or the buildings and fences connected therewith, or disfigure the same with paint or otherwise, or mark thereon any obscene words, figures or devices, or post thereon any paper or other material bearing such words, figures or devices, he shall be punished by fine not exceeding fifty dollars, or by imprisonment in the County Jail not exceeding thirty days, or both, in the discretion of the magistrate. The fine shall be paid one-half to the informer and one-half to the School house fund for the School District.

School site may be changed.

SEC. 6. Whenever in the opinion of the voters of any School District, as expressed at the annual School meeting, the location of a School house ought to be changed, it shall be the duty of the Board of School Commissioners to inquire into the facts of the case, and if they deem it expedient, they may sell and convey the said School house and lands and appropriate the avails to the erection of another School house upon such site as they may select.
