

May attend
nearest School.

SEC 3 Children living remote from the Public School of the School District in which they reside, may attend the School in an adjoining district, under such directions as the Director may prescribe.

Vaccination.

SEC. 4. No child shall be admitted to any Public School who has not been duly vaccinated.

Children required
to attend School.

SEC. 5. Every child in the State between the ages of eight and fourteen years, without fixed employment, shall attend School at least six months in each year, and in case any parent or guardian shall neglect to send his or her child or ward to School, it shall be the duty of the Justice of the Peace to send a written admonition to such delinquents, and if they continue to be negligent, to inflict such penalty as the General Assembly may direct.

Children in fac-
tories must
attend School.

SEC. 6. No child, under the age of fourteen years, shall be employed in any manufacturing establishment, or in any business in this State, unless such child has attended some public or private School at least six of the twelve months next preceding, and is permitted to attend three months every year in which such child shall be employed; any person who shall employ any child contrary to the provisions of this act, shall forfeit and pay for such offence a penalty of twenty-five dollars, to be appropriated to the support of Public Schools.

Directors to exa-
mine children in
actories.

SEC. 7. It shall be the duty of the City or County Director personally, and as often as he shall think proper, to examine into the situation of children employed in manufacturing and other establishments, and ascertain, if necessary, by examination, whether they can read and write, and to report all violation of this act to a Justice of the Peace, that prosecution may be instituted,
