

four hundred dollars) the sum of one thousand dollars to afford to the teacher or teachers, certain salaries.

The one thousand dollars we expect to be refunded to us by the tuition fees set forth in the annexed Circular. The School opened the seventh of November last, with some twenty-two pupils in attendance. At the resumption of the duties of the School on Tuesday next, there will be a large increase, and we have every prospect of a successful enterprise.

The other two Schools must await the result of this experiment or the future action of the Legislature.

### *Male and Female Central High School of Cecil County, at Elkton.*

WM. H. ZIMMERMAN, *Principal.* JOHN TIMANUS, *Assistant.*

The purpose of this Institution is to stimulate the whole system of Public Schools in the County by holding out the inducement of a higher education to those pupils whose good conduct, industry and success qualify them for admission.

It is designed to effect a greater development of individual character, and a more thorough mental and moral training than is practicable in the Primary Schools.

Students will be carried through a regular Course of Instruction, and thus be prepared for the pursuits of Commerce, Manufactures, and the Practical Arts; for the discharge of the duties of Teachers, or for the higher pursuits of Collegiate or Professional Study.

Candidates for admission must produce testimonials of good moral character; and if from another School, evidence of regular dismissal.

Students are admitted only on examination. Candidates for the First Class are examined on the following branches: Orthography, Reading, English Grammar, Geography and Arithmetic.

Candidates for advanced standing are received at any time; but will be examined on the studies previously pursued by the class they propose to enter.

After the current Quarter which ends on the fifteenth of February next, students will be required to pay the full Quarterly Tuition.

Candidates for a partial course are examined only in reference to their qualification to pursue that course.
