On motion of Mr. Coale,

The following amendment was adopted:

Sec. 3. And be enacted, that as soon as the Governor shall receive the returns as aforesaid, of the number of ballots cast in this State, for and against a Convention; it shall be the duty of the Governor count and cast up the same, and immediately after counting and casting up the same, he shall issue his proclamation, announcing to the people of the State, the number of votes cast for a Convention, and the number of votes cast against a Convention, and the Governor shall communicate to each of the two Houses of the General Assembly, at their first session thereafter, a statement showing the number votes cast in each county and the city of Baltimore, for a Convention, and the number of votes cast against a Convention, so that, in case the majority of votes cast at said election, shall be in favor of calling a Convention, the General Assembly may then provide for assembling such Convention, and electing Delegates thereto, at the earliest convenient day, in conformity with the eleventh article of the Constitution.

The bill was then passed by yeas and nays as follow, with the proposed amendments:
