

Also in subsection (b)(2) of this section, the phrase "serves without a fixed term" is substituted for the former word "indefinitely", to standardize the references to tenure. This substitution is based on the most recent enactment as to tenure, in former Art. 40, § 58(c) -- now § 2-1205(b) of this subtitle -- which was enacted by Ch. 818, Acts of 1982.

In subsection (c)(1) of this section, the reference to being "licensed as a certified public accountant" is substituted for the former reference to holding a "valid and unrevoked certificate to practice as a certified public accountant", for brevity.

The introductory phrase of subsection (c)(3) of this section, "while in office," is substituted for the former language "before entering upon the duties of his office," to clarify that the Legislative Auditor must have coverage throughout the time in office.

In subsection (c)(3) of this section, the language "in the form and amount required by law" is substituted for the former, incomplete reference to Art. 78A, §§ 46 through 50 of the Code. See also Art. 95, § 31 and Art. 78A, § 10 of the Code.
