

This substitution is based on the former adjective "administrative" and conforms to practice. This substitution also reflects the use, in revision of Title 10, Subtitle 1, of the word "regulations", with respect to regulations of State units in the Executive Branch. See revisor's note to § 10-101(e) of this article.

In subsection (c)(3) of this section, the former, specific references to "antiquated" statutes and statutes "in conflict with another" are deleted as unnecessary.

In subsection (c)(4) of this section, the former word "typographical" is deleted as unnecessary in light of the word "clerical".

Defined terms: "Department" § 2-1301
 "Division" § 2-1315 "Includes"; "including" § 1-101
 "Revisor" § 2-1315

The second clause of the second sentence of former Art. 40, § 53A, which stated the Division has "the duties ... provided in this subheading", is deleted as surplusage.
