

## (D) OTHER SERVICES.

## THE SECRETARY OF GENERAL SERVICES MAY:

- (1) PROVIDE THE COMMUNICATION SERVICES THAT THE GOVERNOR-ELECT FINDS NECESSARY;
- (2) AUTHORIZE PAYMENT FOR NECESSARY PRINTING AND BINDING; AND
- (3) PROVIDE FOR THE CONVEYANCE OF MAIL THAT THE GOVERNOR-ELECT SENDS IN CONNECTION WITH PREPARING TO ASSUME THE DUTIES OF OFFICE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 41, § 15G(b) and (a)(1), (3) through (7), and, as they related to compensation of staff, the first sentence and the first clause of the second sentence of (2).

In subsection (a)(2) of this section, the words "for the office of Governor" are added to modify "general election", since there are general elections in which gubernatorial candidates are not elected.

Also in subsection (a)(2) of this section, the former phrase "under this subtitle" is deleted as unnecessary in light of the revision of subsection (a)(2) of this section as a limitation on subsection (a)(1) of this section. Also, the former word "subtitle" was misleading, to the extent that it suggested that the Secretary of General Services pays for services that are provided under other sections of this subtitle.

In subsection (b) of this section, the former specific references to "furniture" and to "office machines, and equipment" are deleted as unnecessary in light of the broad word "furnishings".

In subsection (c)(1) of this section, the former reference to expenses "for the procurement of" services is deleted as misleading since the former reference suggested that the services of consultants were not covered after the consultant was retained.

Also in subsection (c)(1) of this section, the former reference to "experts" is deleted as unnecessary in light of the broad word "consultants".

Also in subsection (c)(1) of this section, the former reference to "organizations" of experts and consultants is deleted as unnecessary in light of Art. 1, § 8 of the Code, which provides that the singular and plural are interchangeable.
