

Also in subsection (a)(4) of this section, the reference to reimbursement for expenses "under the Standard State Travel Regulations, as provided in the State budget" is substituted for the former reference to "all traveling and other expenses connected with the duties of the Department." This substitution clarifies the applicable standards for reimbursement and reflects practice.

In subsection (c)(2) of this section, the phrase "or as otherwise provided by law" is added as a general reference to provisions for reimbursement of counsel fees under Title 12, Subtitle 4 of this article.

In subsection (e)(1) of this section, the language "to the extent permitted by law" is added as a general reference to the limitations on the practice of law by an individual who is not a lawyer.

Also in subsection (e)(1) of this section, the former reference to "his discretion" is deleted as unnecessary in light of the discretionary word "may".
