(C) REIMBURSEMENT.

(1) IF THE COMMITTEE PERMITS A UNIT TO PUBLISH A DOCUMENT IN THE REGISTER AND PUBLICATION OTHERWISE WOULD NOT BE REQUIRED, THE COMMITTEE MAY REQUIRE THE UNIT TO REIMBURSE THE DIVISION FOR THE COST OF THE PUBLICATION.

(2) THE DIVISION SHALL BILL FOR AND COLLECT THE REIMBURSEMENT.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 41, § 256F(b)(1), (2), (4) through (10), (12), and the first clause of (3), (c)(2) and (1)(ii) and the second clause of (i), § 256K(e) as that subsection related to § 256F(b), the first and second sentences of § 256N, § 256-O(a)(2) as that paragraph related to the Register, and the last phrase of the first sentence of § 15C(b).

In subsection (a)(2)(x) of this section, the former clause "whether or not requiring approval by ... both" is deleted as surplusage.

In subsection (a)(2)(xi) of this section, the defined term "regulation" and the reference to "proposed adoption of the regulation" are substituted for the former reference to "proposed agency rule making or repeal", for clarity and brevity. The latter substitution reflects that repeal of a regulation is effected by adoption of another regulation and encompasses amendment of existing regulations.

In subsection (a)(2)(xiii) of this section, the phrase "unless otherwise exempted" is added to reflect that, e.g., under § 10-114 of this article, publication of the text of a regulation is not always required.

In subsection (a)(2)(xiv) of this section, the former, specific reference to a document that "the General Assembly requires" to be published is deleted as unnecessary since subsection (a)(2)(xiii) of this section does not limit the source that requires publication. Similarly, former Art. 41, § 256F(b)(11), which referred to documents required to be published by "Article 21 (Procurement)" is deleted.
