

In subsections (a) through (d) of this section, the words "on or before" are substituted for the former, ambiguous word "by".

In subsection (a)(4) of this section, the reference to "§ 2-703 of the Agriculture Article" is substituted for the former reference to AG § 2-719, which is the termination provision for the Board. The substituted reference is to the provision that creates the Board and, thus, corresponds to the other cross-references in this section.

In subsection (c)(15) of this section, the specific citation to "§ 3" of Art. 75 1/2 of the Code is added for clarity.

In subsection (c)(16) of this section, the reference to "§ 331" of Art. 56 is substituted for the former incorrect cross-reference to "§ 330".

In the introductory clause of subsection (d) of this section, the date "1993" is substituted for the former, obsolete date "1983". The substituted date is based on § 8-411(a) of this subtitle. Except for the Board of Examiners of Maryland Pilots, the statutes of each of the units listed in subsection (d) of this section were amended, by 1983 legislation, to continue the existence of the unit until at least 1993.

In subsection (d)(2) of this section, the cross-reference to "Article 41, § 207A of the Code" is substituted for the former, obsolete reference to "Art. 89, § 51", to reflect Ch. 64, Acts of 1983.

In subsection (e) of this section, the phrase "[o]n or before November 30" is substituted for the former phrase "[b]efore December 1", for clarity.

Former Art. 41, § 486(c)(4), which provided for evaluation of the Board of Electrical Examiners and Supervisors, is deleted since the State allowed the Board to expire in 1983, and Baltimore City amended the public local law to make the Board a city unit.
