(E) STAFF.

(1) WITH THE ADVICE OF THE COMMISSION, THE DIRECTOR MAY EMPLOY DEPUTY DIRECTORS AND OTHER STAFF IN ACCORDANCE WITH THE STATE BUDGET.

(2) A DEPUTY DIRECTOR MAY BE REMOVED FOR CAUSE AFTER THE DEPUTY DIRECTOR IS GIVEN:

(I) NOTICE; AND

(II) AN OPPORTUNITY FOR A HEARING.

REVISOR'S NOTE: Subsections (a) and (c) through (e) of this section are new language derived without substantive change from former Art. 88D, § 5(d), § 9, and the first sentence and the second clause of the second sentence of § 8(b) and the first clause of the first sentence of (c).

Subsection (b) of this section is standard language added for clarity.

In subsection (a)(1) of this section, standard language is substituted for the former clause "[n]o action ... shall be binding unless taken at a meeting at which at least three of the five members are present".

In subsection (c)(2) of this section, the reference to a "regulation of the Agency" is substituted for the former reference to "rules adopted by the Commission or any amendments ... thereof", to standardize the references to the regulations. See revisor's note to § 9-110 of this subtitle.

In subsection (e)(1) of this section, the term "staff" is substituted for the former reference to "professional, technical and clerical assistants and employees", for brevity.

Also in subsection (e)(1) of this section, the power to employ staff "in accordance with the State budget" is substituted for the former duties to employ staff "as may be required to carry out the functions and duties of the Agency" and "as may be necessary to perform the duties imposed upon the Agency", which were misleading since the State budget would control whether or not a staff member is "required" or considered "necessary".
