

In subsection (b)(1)(ii) of this section, the phrase "organized crime" is substituted for the former phrase "organized gambling and crime", for clarity. Since the State lottery is a form of "organized gambling", the studies seemed to be directed at the use of this subtitle by organized crime.

In subsection (b)(1)(iii) of this section, the word "proper" is substituted for the former phrase "in such form" and applied only to the regulations.

In subsection (b)(2)(iii) of this section, the word "lotteries" is substituted for the former reference to "the subject", for clarity.

Also in subsection (b)(2)(iii) of this section, the clause "which ... may be published or available", which formerly modified "literature", is deleted as surplusage.

Subsection (c) of this section is revised to state that submission of report is a duty.

Subsection (c)(1) of this section is revised to clarify that the limitation "subject to § 2-1312 of this article" applies to the reports under subsection (c)(2), (3), and (4) of this section.

In subsection (c)(3)(i) of this section, the word "total" is substituted for the former phrase "full and complete", to conform to subsection (c)(2) of this section. Similarly, in subsection (c)(3)(i) of this section, the phrase "for the preceding year" is added to conform to subsection (c)(2) of this section.
