

In the introductory clause of subsection (c) of this section, the term "payor bank", which is the term used in the Maryland Uniform Commercial Code, is substituted for the former references to the "bank on which it is drawn", for brevity.

In subsection (c)(1) of this section, the phrase "by a licensed agent" is added for clarity. Although the first and second clauses of former Art. 88D, § 23A(a) could be read to apply to any check given to the Agency, the third and fourth clauses of § 23A(a) were limited to transfers from accounts of licensed agents. The Agency indicates that the reference to checks also is construed as limited.

In subsection (d)(2) of this section, the former reference to charging the additional amount "to cover the cost of collection by the central collection unit" is deleted as surplusage.

In subsection (e)(1)(i) of this section, the phrase "whether real or personal", which formerly modified "property", is deleted as surplusage.

In subsection (e)(3) of this section, the former reference to the clerk "accurately" recording the lien is deleted as unnecessary in light of CJ § 2-201 as to a clerk's performance of duties.
