

As to the introductory language of subsection (b) of this section and the substitution of the defined term "Director" for the former phrase "Office of Minority Affairs" and the substitution of the reference to "other units of the Executive Branch of the State government" for the former reference to "other State agencies", see revisor's note to § 9-304 of this subtitle.

In subsection (b)(1) of this section, the phrase "minority business enterprises" is substituted for the former reference to "minority business", to conform to the references elsewhere in this section.

In subsection (b)(2) of this section, the former phrase "program objectives" is deleted as unnecessary in light of the broad references to "plans" and "programs".

In subsection (b)(3), (4), and (6)(ii) of this section, the phrase "private entities" is substituted for the former list of these entities and references such as "these groups", for brevity and clarity.

In subsection (b)(4) of this section, the phrase "to develop minority business enterprises" is added for clarity. Similarly, in subsection (b)(6)(ii) of this section, the clause "that relate to minority business enterprises" is added to modify "undertakings".

In subsection (b)(5) of this section, the former word "organizations" is deleted as unnecessary in light of the use of the defined term "person".
