

In item (1) of this section, the former reference to an "organization, or foundation" is deleted as unnecessary in light of the broad reference to a "private or public agency".

Also in item (1) of this section, the reference to "carrying out the powers and duties of the Commission" is substituted for the former reference to "its purposes", since this subtitle does not include a statement of purpose.

Defined term: "Commission" § 9-401
