41, § 256B(c)(2) applied only to former Art. 41, §§ 256B through 256T, it is revised, in subsection (b)(3) of this section, to apply to all of this subtitle, including, in addition to provisions derived from former Art. 41, §§ 256B through 256T, provisions derived from former Art. 40, § 40A(f) and (g)(1) through (5) and former Art. 41, §§ 9 and 244 through 256A. This revision is consistent with the findings in Valentine v. Board of License Commissioners, 291 Md. 523 (1981), which interpreted the former Art. 41 provisions as of July 1, 1977. Although Valentine did not address the provisions of former Art. 40, § 40A(f) and (g)(1) through (5), the inclusion of those provisions within subsection (b)(3) of this section is consistent with the practice on which the Court relied in Valentine.

As to subsection (a)(2)(ii) of this section and the use of the defined term "count[ies]", see revisor's note to § 10-201(b) of this title.
