REVISOR'S NOTE: Subsections (a) and (b)(2) and (3) of this section are new language derived without substantive change from former Art. 41, § 256F(d) and (e) and the second and third sentences of § 256D.

Subsection (b)(1) of this section is new language added to state expressly that which formerly only was implied by the exceptions in subsection (b)(2) and (3) of this section and § 10-113 of this subtitle.

Subsection (b)(3) of this section, as revised, clarifies that the publication of a synopsis applies only to an adopted regulation. This revision is based on § 7-205(b) of this article, which limits the contents of the permanent supplements.

As to the deletion of the first sentence of former Art. 41, § 256D, which required filing of documents to be published in the Code of Maryland Regulations, see revisor's note to § 7-213 of this article.

The fourth sentence of former Art. 41, § 256D, which exempted certain documents filed before July 1, 1974, is deleted as obsolete.
