22.01.00.09 Judicial Data Processing
 General Fund Appropriation,
provided that \$268,000 of this appropriation made for the purpose of receiving criminal District Court information from Baltimore, Montgomery and Prince George's Counties' local criminal justice information systems may not be expended unless approved by the Budget Committees. The Budget Committees shall approve the expenditure upon certification of the Judiciary, the Department of Public Safety and Correctional Services and the counties that each is in accord as to the terms and systems through which information is to be shared among them and that each is prepared to perform its responsibilities under the accord.

And further provided that \$111,240 of this appropriation made for the purpose of providing salary and benefits for five additional programmer analyst positions may not be expended until except to the extent approved by the Budget Committees after the Budget Committees approve a master plan for the Judicial Data Processing unit. This plan shall identify (1) the various activities of the unit, including the various systems supported through it, (2) short-range and long-range priorities, goals and objectives for each of the activities and
