

States of America[,] AND any department, [or] bureau [thereof], [and any] agency, or instrumentality [of the United States of America heretofore established or which may be established or created hereafter].

[(j)] (H) Improvements. [The word "improvements" shall mean such] "IMPROVEMENT" MEANS THE construction, erection, repairs, replacements, additions, extensions and betterments to and of a water system, a sewage system or a surface water drainage system [as are] deemed necessary by the District to place or maintain such a system in proper condition for the safe, efficient, and economic operation [thereof] or to meet requirements for service in areas in a subdistrict [which] THAT may be served by the District or in which no existing service is being rendered.

[(m)] (I) Project. [The term "project" shall mean] "PROJECT" MEANS any water system, sewerage system or surface water drainage system and any combination [or] OF part or parts [thereof] OF IT, including improvements [thereto,] owned, constructed, or operated by the District under the provisions of this subtitle.

[(i)] (J) Sewage. [The term "sewage" shall mean] "SEWAGE" MEANS the water-carried wastes created in and carried, or to be carried, away from residences, hotels, schools, hospitals, industrial establishments, commercial establishments or any other private or public building, together with [such] ANY household and industrial wastes [as may be] THAT ARE present.

[(g)] (K) Sewerage system. [The term "sewerage" shall mean and shall include], with respect to any subdistrict established under this subtitle, MEANS AND INCLUDES all plants, systems, facilities, or properties used or useful or having the present capacity for future use in connection with the collection, carrying away, treating, neutralizing, stabilizing or disposal of domestic sewage, commercial, industrial, and other wastes, and any integral part of [said] THE systems, including sewage treatment plants, disposal fields, lagoons, pumping stations, outfall sewers, trunk sewers, intercepting sewers, lateral sewers, force mains, pipes, pipe lines, conduits, equipment, appurtenances, and all properties, rights, easements and franchises [relating thereto and deemed] necessary or convenient by the District for [the] ITS operation [thereof], and including any part of any of the foregoing outside a subdistrict but connected to and necessary for the operation of a sewer system [therein] IN IT.

[(n)] (L) Subdistrict. [The word "subdistrict"] "SUBDISTRICT" refers to any [one] 1 or more suitably identified areas or localities in which the District may exercise its powers and duties and which are located within the boundaries of the District, as [initially or from time to time] determined [pursuant to] UNDER Section 28-2(b) of this subtitle, and also established or, from time to time, altered in the manner
