

corporate undertaking to abide by and fulfill any judgment in [such] THE appeal or further proceedings.

[(k)] (9) Water and sewerage systems. To combine any water system and any sewerage system as a single system for the purpose of operation and financing.

[(l)] (10) Contracts; systems. To enter into contracts with the Federal Government[, ] OR the State of Maryland, or any agency or instrumentality [thereof] OF EITHER THE FEDERAL GOVERNMENT OR THE STATE, or with any [municipality,] MUNICIPAL OR private corporation, copartnership, association or individual in connection with the services and facilities rendered by any water system, sewerage system, or surface water drainage system owned or controlled by the District, the Federal Government, or the State of Maryland, OF any agency or instrumentality [thereof] OF THESE ENTITIES, and by any [municipality,] MUNICIPAL OR private corporation, copartnership, association or individual. Any such contract may provide[, among other things,]: (i) for the connection of any water system, sewerage system, or surface water drainage system of the District with any [corresponding] OTHER CORRESPONDINGLY OWNED OR CONTROLLED system [owned or controlled as aforesaid,]; (ii) for the [supplying] SUPPLY or [receiving] RECEIPT, to or by the District, or any water, sewage, or drainage to or from such connected system[,]; (iii) for the payment to or by the District of the cost of any such water, sewage, or drainage supplied or received, including the cost of ITS treatment [thereof,]; (iv) for the consolidation under one of the contracting parties of the administration of billing consumers, either of the District or of the owner or operator of any such connected system or systems, for water or sewer service supplied through any such connection[,]; and (v) for the equitable contribution by the District or by any such owner or operator to or on account of the cost of constructing or improving any water system, sewerage system, or surface water drainage system of the other, made necessary by the additional burden on any such system resulting from any such connection.

[(m)] (11) Same; projects. To contract with any [municipality,] MUNICIPAL or OTHER corporation, individual or any Public Authority or District of this or any adjoining State, on [such] terms [as] THAT the [said] Commission [shall deem] CONSIDERS proper, for the construction and operation of any project which is in this State or in [such] AN adjoining State.

[(n)] (12) Same; incidental powers. To make and enter into all contracts or agreements[, as the Commission may determine,] which THE COMMISSION DETERMINES are necessary or incidental to the performance of its duties and to the execution of the powers granted by this subtitle, including contracts with any Federal agency or with any county, on [such] terms and conditions [as] the Commission [may approve,] APPROVES, relating to [(1)] the use by [such] THE agency or by [such] THE county or [the] ITS inhabitants [thereof] of any project acquired or constructed by the Commission under this subtitle or [the] ITS services
