

District in conjunction with the sewerage system for which [such] charges are made or for the purpose of separating the sanitary and surface sewage and drainage so as to relieve the burden on [any such] THE sewerage system. [Said revenues] REVENUES may also be expended for a proportionate share of the cost of operating overhead of [said] THE District [and the]. THE Commission may further reserve and set aside from [said] THE revenues appropriate depreciation reserves for expenditure on replacements of worn out equipment or facilities [forming] THAT FORM part of [any such] THE system or related storm water drainage systems, or for improvements [thereto].

(2) After making appropriate provision for the foregoing expenditures and reserves, the Commission shall apply [such] THE revenues to the payment of the principal of and interest on the bonds of the Commission issued pursuant to the provisions of Section 28-7 or 28-8 [of this subtitle] with respect to the sewerage system producing [such] revenues or with respect to the related surface water drainage system or for the prior redemption of or greater security for any such bonds, in accordance with the resolution or trust indenture of the Commission pursuant to which [such] THE bonds were issued.

(d) Review of schedules. All schedules of sewer service charges adopted and enforced by the District pursuant to this Section [shall] ARE not [be] subject to review, regulation, or control by any agency of the County or of the State, including the Public Service Commission of Maryland. (1957 Code, sec. 545. 1957, ch. 694, sec. 891; 1961, ch. 743, sec. 545.)

28-19. Ready-to-serve charges.

(A) In order to provide funds to pay the cost of acquisition, installation, maintenance, operation, and replacement of water meters, the District [is hereby authorized and empowered to] MAY fix and [collect, and from time to time, revise, alter or amend,] REVISE schedules of ready-to-serve charges.

(B) [which] THE charges shall be imposed on, and collected from, every property in a sub-district connected to a water system owned or operated by the District, for which a separate water meter is installed by and at the expense of the District.

(C) [Said] THE schedules shall be adopted by resolution of the Commission and shall provide for graduated rates of charge dependent on meter sizes. Ready-to-serve charges shall be added to, and collected as part of, the regular water bills and payment [thereof] may be enforced by the Commission to the same extent and in the same manner as is provided by this subtitle for water service charges. (1957 Code, sec. 546. 1957, ch. 694, sec. 892; 1961, ch. 743, sec. 546.)

28-20. Purchase of existing systems.
