

[(i)] (F) The board of trustees may in its discretion for purposes of actuarial valuation adopt a generally accepted method for determining the value of the assets held by the retirement system, provided that for general ledger accounting and financial reporting the board of trustees will use generally accepted accounting principles.

[(j)] (G) Whenever an audit of the records of a school system, public library, or educational institution reveals that the system, library, or institution owes money to the accumulation fund of the Teachers' Pension System, any delinquent payment may be collected by the Division of Social Security in the manner set forth in § 39(e)(2) of this article for recovery of delinquent social security payments.
