

The Secretary of Transportation is authorized to cancel the contract with the-Railway-Company a rail freight line on 90 days notice if the operating projections do not materialize. Further, provided that \$500,000 of this appropriation for commuter operating grants-in-aid may not be expended for the purpose of retaining firemen on the commuter trains. However, if this restriction will result in a reduction in the level of service or termination of the operating contract, expenditure of \$500,000 of this appropriation is approved. The Department shall report to the Budget Committees by July 15, 1984 if this action will cause the owners of the commuter rail lines to reduce or cancel rail services provided to the State.....
