REVISOR'S NOTE: This section is new language derived without substantive change from the fourth sentence of former Article 88A, § 59(c)(2).

The Commission to Revise the Annotated Code calls the attention of the General Assembly to the vagueness of the term "child support services". The term appeared in former Article 88A, § 59(c), which now appears in this section and § 10-115 of this subtitle. Under § 10-115 of this subtitle, the Administration is required to provide legal representation to individuals whom the Administration approves for "child support services". The General Assembly may wish to clarify what other services, if any, are to be provided as "child support services" to individuals approved under this section.
