

(d) The amount of the grant shall be a percentage of total construction costs, including site acquisition and development costs, as follows:

(i) For a regional community college established under § 16-302 of the Education Article - 75 percent; or

(ii) For a public junior or community college that is not a regional community college - the greater of:

1. A percentage equal to that percentage of the expenditure for basic current expenses that the State pays to the petitioning jurisdiction under § 5-202(b) of the Education Article of the Code or

2. 50 percent.

(4) There is hereby levied and imposed an annual State tax on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds as and when due and until paid in full, such principal to be discharged within fifteen years of the date of issue of the bonds.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 1984.

Approved May 15, 1984.

-----

CHAPTER 334

(Senate Bill 344)

AN ACT concerning

Public Service Commission -- Local Measured Service  
Telephone Rates -- Prohibition

FOR the purpose of ~~prohibiting the Public Service Commission from authorizing any telephone company to implement certain local measured telephone service in Maryland, making certain stylistic changes, requiring a telephone company to offer residential customers certain service options under certain circumstances; prohibiting a local telephone company from imposing certain charges on certain customers who change to and from certain service options; limiting this prohibition to a certain time; prohibiting the Public Service Commission from authorizing any telephone company from charging for the distance of a call within any local calling area; and generally relating to local measured telephone service.~~
