

(1) The Board of Public Works may borrow money and incur indebtedness on behalf of the State of Maryland through a State loan to be known as the Carroll County Detention Center Loan of 1984 in the aggregate principal amount of \$250,000. This loan shall be evidenced by the issuance and sale of State general obligation bonds authorized by a resolution of the Board of Public Works and issued, sold and delivered in accordance with the provisions of §§ 19 to 23 of Article 31 of the Annotated Code of Maryland (1983 Replacement Volume, as amended from time to time).

(2) The bonds issued to evidence this loan or installments thereof may be sold as a single issue, or may be consolidated and sold as part of a single issue of bonds under § 2B of Article 31 of the Code.

(3) The actual cash proceeds of the sale of the bonds shall be paid to the Treasurer and shall be first applied to the payment of the expenses of issuing and delivering the bonds unless funds for this purpose are otherwise provided and thereafter shall be credited on the books of the State Comptroller and expended, upon approval by the Board of Public Works, for the following public purposes, including any applicable architects' and engineers' fees: as a grant to the governing--body Board of County Commissioners of Carroll County for the purpose of the improvement, expansion, renovation, rehabilitation, and construction of the Carroll County Detention Center.

(4) There is hereby levied and imposed an annual State tax on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds as and when due and until paid in full, such principal to be discharged within fifteen years of the date of issue of the bonds.

(5) Prior to the payment of any funds under the provision of this Act for the purposes set forth in Section 1(3) above, the Board of County Commissioners of Carroll County shall provide at least an equal and matching fund of \$250,000. No part of any applicant's matching funds may be provided, either directly or indirectly, from funds of the State, whether appropriated or unappropriated. No part of the fund may consist of real property or in kind contributions. The fund may include funds expended prior to the effective date of this Act which have not previously been used to satisfy local matching requirements of a State grant for this project. In case of any dispute as to what money or assets may qualify as matching funds, the Board of Public Works shall determine the matter, and the Board's decision is final. The Board of County Commissioners has until June 1, 1986, to present evidence satisfactory to the Board of Public Works that the matching fund will be provided. If satisfactory evidence is presented, the Board shall certify this fact to the State Treasurer and the proceeds of the loan shall be expended for the purposes provided in this Act. If this evidence is not presented
