It is the intent of the General Assembly that any excess federal funds, other than funds for vocational rehabilitation, that are received during fiscal year 1985, shall first be applied to the indirect costs of administering the federal fund programs unless such action is specifically prohibited by federal law or regulation until the federal funds made available for indirect costs total \$3,403,070. Provided that if the Governor determines it is imperative for the excess federal funds to be expended otherwise and not used to fund the indirect costs of administering the federal fund programs, the Governor shall submit this request to the Budget Committees and the Legislative Policy Committee for approval or disapproval.
