

(10) The Secretary of Natural Resources, subject to the approval of the Board of Public Works, may make awards of financial assistance for projects under the provisions of this Act. The recommendation of the interdepartmental review group shall be submitted to the Board of Public Works when it considers the grant award request. The Secretary shall require the execution of a grant agreement with a local jurisdiction for an award of financial assistance for a project to assure compliance with the purpose and conditions of the award, assure accountability for funds, and assure satisfactory maintenance of the proposed project.

(11) There is hereby levied and imposed an annual State tax on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds as and when due until paid in full, such principal to be discharged within fifteen years of the date of issue of the bonds.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect on June July 1, 1984, contingent upon the taking effect of Chapter \_\_\_\_\_ of the Acts of 1984 ~~(H.B. ----)~~ ~~(41r2442)~~ (H.B. 970), ~~(S.B. ----)~~ ~~(41r2441)~~ (S.B. 664), and if Chapter \_\_\_\_\_ does not become effective, this Act shall be null and void without the necessity of further action by the General Assembly.

Approved May 29, 1984.

-----

CHAPTER 790

(Senate Bill 660)

AN ACT concerning

Environmental Protection - Natural Resources -  
Sediment Control Programs

FOR the purpose of authorizing, on or after a certain date, that the Department of Natural Resources has sole responsibility to enforce compliance with the State Sediment Control Law and any sediment control plan approved by a soil conservation district; providing that the Secretary of Natural Resources shall delegate enforcement authority under this Act to any county or municipality under certain circumstances and for a certain period of time; providing for a suspension of a delegation of enforcement authority under certain circumstances; and generally relating to sediment control program enforcement.

BY repealing and reenacting, with amendments,
