No. 11

(Senate Joint Resolution No. 28)

A Senate Joint Resolution concerning

State Employees' Health Care Coverage

FOR the purpose of requesting the Governor to direct the Secretary of the Department of Personnel and the Health Insurance Administrator to study the feasibility of implementing a health insurance program which would provide incentives to State employees to reduce their utilization of health care services in order to lower the State's burden in paying for health care insurance costs for its employees; requesting the Legislative Policy Committee to direct the report of the Secretary of the Department of Personnel to the Budget Committees for their review and analysis; and requesting the Budget Committees to study and recommend appropriate action concerning a "stay well" program for State employees.

WHEREAS, It is in the interest of the State of Maryland to provide its employees with the best possible health care coverage at the lowest possible cost; and
