

EXECUTIVE ORDERS

safeguards to ensure the security of the system.

- (b) Each state agency which maintains a computerized record system shall assign a qualified employee the responsibility to monitor the security of the system.
 - (c) A State Data Security Committee is created to regularly evaluate the security of state agency systems containing computerized records. The Committee shall consist of nine data professionals within State service. Each of the following agencies has a permanent representative on the Committee: Comptroller of the Treasury, Department of Transportation, Department of Public Safety and Correctional Services, the University of Maryland, the Board of Trustees of the State Universities and Colleges and the Department of Budget and Fiscal Planning, whose representative shall be the Chairman. The other members of the Committee shall be appointed by the Governor upon the recommendation of the Chairman. If any agency security officer is assigned to this Committee, he shall not participate as a member of the Committee in any computer system security analysis of his agency by the Committee. The Committee shall evaluate system risks including the review, formulation, and periodic testing of the appropriate levels of security.
 - (d) Each state agency shall cooperate with the State Data Security Committee and shall comply with any directive concerning the submission of plans or system security measures to be undertaken.
 - (e) The State Data Security Committee shall provide semi-annually a report on its activities to the Governor and to the appropriate chairmen of the legislative committees having jurisdiction over issues related to state data system security.
5. Exceptions - The collection of the following information is exempt from the provisions of Section 3 of this Executive Order:
- (1) Any information pertaining to the enforcement of criminal laws or the administration of the penal system, including efforts of the Department of Public Safety and Correctional Services to prevent, investigate, control or reduce crime;
