

EXECUTIVE ORDERS

directors, signed and certified by its chief executive officer;

- E. Submit a copy of its current operating budget signed and certified by its chief executive officer;
- F. Demonstrate that it has provided, as its principal function, health or human services directly to the residents of the State of Maryland or to those in need of such services overseas for a period of not less than 1 year immediately preceding the calendar year of the Campaign and that it has operated with a budget of not less than \$5,000 during this period. Agencies providing services overseas must provide evidence of financial support from Maryland residents within the past five years;
- G. Certify that it will use funds from the Campaign solely for the direct provision of health or human services including reasonable administrative costs of these programs;
- H. Have a majority of its governing body serving without compensation; and
- I. Make available to the public upon request its annual financial report.

Section 4.

- A. An agency approved for participation in the Campaign may continue to participate in the Campaign for a period of 3 years without renewing its application unless the agency fails to comply with the provisions of this Order or the Secretary of State's criteria, instructions and procedures.
- B. The Secretary of State may establish criteria to determine if participating agencies which fail to receive a minimum amount of payroll deduction support in any one year shall continue to participate in subsequent Campaigns.
- C. The Secretary of State may call upon the operating agency for technical assistance in the administration of the Campaign.
- D. Agencies which submit an application for participation in the Campaign which is denied by
