Chapter 520 of the Acts of 1982, as amended by Chapter 670 of the Acts of 1983

Section 1(3)(A)(3)

(a) Purchase unloading and support facilities for handling dredge spoil - Hart-Miller Islands - Phase II - Chesapeake Bay. PROVIDED THAT THIS APPROPRIATION MAY NOT BE EXPENDED FOR REPLACEMENT OF FISHING PIERS.....

16,500,000

Section 1(3)(G)(1)(a)

(7) Design, construct and equip three pre-engineered buildings to be used for program space at the Roxbury Correction Facility where there has been a demonstrated curtailment or reduction of programmatic activities, and such reduction or curtailment is a result of overcrowding conditions in such facility. To maximize the utilization of these facilities, such facilities shall be designed to permit utilization as emergency housing units in the event that the inmate population in the Division of Correction requires additional housing. [The General Assembly believes that temporary housing is an unsatisfactory method of housing prisoners except on an emergency basis and it is the intent of the General Assembly that these facilities, if utilized as emergency housing, be so used only until new permanent facilities now under construction at Roxbury are completed.].....
