RIDGELY

(Caroline County)

RESOLUTION OF THE COMMISSIONERS OF RIDGELY  
TO AMEND SECTION 445 OF THE PUBLIC LOCAL LAWS  
OF CAROLINE COUNTY  
(THE CHARTER OF RIDGELY)

The Commissioners of Ridgely have reviewed the current condition of the water system of the Town with experts in the field. Such review determined that:

1. The water system is antiquated and in some areas, creating a deleterious effect on the health and safety of the inhabitants of the Town.

2. The maximum borrowing authority of \$150,000.00 as set out in Section 445 of the Charter is insufficient to provide the Commissioners of Ridgely with the means of financing certain improvements which are projected for such water system for the near future.

3. An amendment to Section 445 increasing the power of the Commissioners to borrow on the faith and credit of the Town from \$150,000.00 to \$5,000,000.00 will be adequate to allow the Town to undertake the projected improvements.

[Section 445 of the Code of Public Local Laws of Caroline County, as found in the compilation of Municipal Charters of Maryland (1983 Edition), repealed and reenacted, with amendments.
