

[5-114.

In addition to any other requirement of law, each container of controlled poison shall bear a plainly written label that includes:

- (1) The word "POISON";
- (2) The name of the substance;
- (3) The date of sale; and
- (4) The name and business address of the seller.]

[5-115.

(a) This section does not apply to the dispensing of a controlled poison on the prescription of an authorized prescriber if the quantity or dose is not unusual.

(b) A person who sells, delivers, or provides any controlled poison shall record in a poison register:

- (1) The date of sale or delivery;
- (2) The name and address of the person for whom the controlled poison is provided;
- (3) The name and quantity of the controlled poison;
- (4) The purpose for which the controlled poison is to be used;
- (5) The name of the dispenser; and
- (6) The signature of the individual who receives the controlled poison.

(c) If a controlled poison is sold, delivered, or provided to an individual under the age of 15 years, the written order required by § 5-113(c) of this subtitle shall be inserted in the poison register instead of the entries otherwise required by subsection (b) of this section.

(d) A poison register shall be:

- (1) In the form required by the Board;
  - (2) Kept for at least 2 years after the last entry;
- and
- (3) Open to inspection by any proper authority.

(e) Any person who is required to keep a poison register shall display conspicuously in each store in which the person sells controlled poison a sign that:
