(1) Decide or participate in a decision in which he has a financial interest, whether as owner, member, partner, officer, employee, stockholder, or other participant of or in any private business or professional enterprise, that will be affected by such decision, nor may a commissioner knowingly participate in a decision affecting the financial interest of a person related to him or his spouse, father, mother, brother, sister, or child, jointly or severally. This [subparagraph] PARAGRAPH may not be construed to prohibit a commissioner from having or holding private investment, business, or professional interests, but shall be construed to apply when these interests are or reasonably may be in conflict with the proper performance of duty by the commissioner. These interests shall be presumed to be in conflict with the proper performance of duty by the commissioner when the commissioner or his spouse, father, mother, brother, sister or child, jointly or severally, owns a total of more than three percent of the invested capital or capital stock of any groups, firms, corporations, or associations involved in the decision being made by the commissioner or his commission or receives a total combined compensation of more than \$5,000 per year from any individual, groups, firms, corporations, or associations involved in the decision being made by the commissioner or his commission. The prohibition does not apply to or include an interest or investment in land geographically remote from the land involved in the decision, the ownership of a recorded single family lot on which the member actually resides, or a possibility of reverter, a mortgage, or other security interest in which the real property in interest is not as otherwise defined in this [subparagraph] PARAGRAPH.
