

3-102.

(b) The boundaries of the metropolitan district are altered by the addition thereto of the two (2) following described areas, which said areas shall hereafter become integral portions of the metropolitan district subject to all the provisions of this [subtitle] TITLE with respect to said district. The areas added hereby to the district are described as follows:

(1) Beginning at a point where the centerline of Little Paint Branch intersects the original centerline of the Colesville-Beltsville Road, also known as the Odell Road, and running thence southerly about 2.6 miles along the centerline of Little Paint Branch to its intersection with the dividing line between Election District No. 1 (Vansville) and Election District No. 21 (Berwyn); thence northwesterly about 1.7 miles along the aforesaid dividing line to its intersection with the Montgomery-Prince George's County line; thence northeasterly about 2.2 miles along the aforesaid county line to its intersection with the original centerline of the Colesville-Beltsville Road, also known as the Odell Road; thence easterly and southeasterly about 1.0 mile along the aforesaid line to its intersection with the centerline of Little Paint Branch, said intersection being the point of beginning.

(d) The following described areas within Prince George's County are hereby added to and included within the metropolitan district:

(2) All of Election District No. 12 (Oxon Hill) lying southeast of the existing Maryland-Washington Metropolitan District boundary line, excepting that portion of Oxon Hill Election District included in the following described area: Beginning at the intersection of the centerline of Allentown Road with the present centerline of the Temple Hills Road; thence generally northerly about 0.6 mile along the aforesaid centerline to its intersection with the present centerline of the Brinkley Road; thence westerly about 0.8 mile along the aforesaid centerline to its intersection with the present centerline of the right-of-way for the Potomac Electric Power Company transmission line (approximately 800 feet east of Henson Creek) thence generally southwesterly about 2.0 miles along the aforesaid centerline to its intersection with the boundary line of Oxon Hill Election District thence generally northeasterly about 2.0 miles along the aforesaid boundary line to the place of beginning.

Notwithstanding any other provisions of the Maryland-Washington Metropolitan District Act, no metropolitan district tax money collected in Prince George's County as a result of any area being included within the boundaries of the Maryland-Washington Metropolitan District shall be expended for the maintenance, improvement, acquisition or purchase of any park site or recreational area beyond and without the boundaries of the said Maryland-Washington Metropolitan District.
