(9)   A proceeding for adjudication of:

        (iii)   A zoning violation for which a civil
penalty has been provided pursuant to Article 66B, § 7.01 or
Article 28, § [8-121] 8-120(d) of the Code;

7-202.

    (a) (1)   The State Court Administrator[,] shall determine
the amount of all court costs and charges for the circuit courts
of the counties with the approval of the Board of Public Works.
The fees and charges shall be uniform throughout the State.

        (2)   The Comptroller of the State shall require clerks
of court to collect all fees required to be collected by law.

7-301.

    (b) (1)   The court costs in a criminal case in which costs
are imposed are [--] $5.00.

8-202.

    Among other things, the juror selection plan referred to in
§ 8-201 shall:

        [(a)] (1)   Either designate a jury commissioner, or
authorize the clerk of the court, to manage the jury selection
process. If a jury commissioner is designated, the manner of his
appointment shall be established by the plan and his compensation
set by law. The clerk or the jury commissioner, shall act under
the supervision and control of a jury judge who is the
administrative judge or another judge of the circuit court of the
county as provided by the plan;

        [(b)] (2) Specify detailed procedures to be followed
by the jury commissioner or clerk in selecting names from the
voter registration lists or from other sources as are necessary
to carry out the policy of §§ 8-102 and 8-103 of this title.
These procedures shall be designed to assure the random selection
of a fair cross section of the citizens of the State who reside
in the county where the court convenes.

        [(1)] (I)   Persons selected to be mailed juror
qualification forms under § 8-206 of this title may be obtained
by a random selection process that provides the names directly
from the source list, as provided for in § 8-204 of this title,
if a properly programmed electronic data processing system or
device is used. The source list used for this selection process
shall be the most recent available.

        [(2)] (II)   If the method outlined in subsection
(1) above is not used, a master jury wheel or a device similar in
purpose and function such as an electronic data processing system
