

state or federal court of record, of a criminal offense other than a minor traffic offense (i.e., one punishable by a fine of less than \$500 or imprisonment for less than six months) and has not been legally pardoned; and

[(ix)] 9. Any other questions not inconsistent with the provisions of this title, required by the juror selection plan in the interests of the sound administration of justice.

[(2)] (II) The juror shall certify under penalty of perjury that his responses are true to the best of his knowledge. Notarization is not required.

[(3)] (III) The form shall make clear to the person that furnishing any information with respect to his race, religion, or national origin is not a prerequisite to his qualifications for jury service, and that this information need not be furnished if the person finds it objectionable to do so.

8-212.

(b) Until the master jury wheel has been emptied and refilled in accordance with § 8-202(b) of this title and every person who is selected to serve as a juror before the master wheel was emptied has completed his service, the contents of any records or papers used by the jury commissioner or clerk in connection with the jury selection process may not be disclosed, except as necessary for the preparation of a motion under [subsections] SUBSECTION (a), (b), or (c) of § 8-211. The parties in a case may inspect, reproduce, and copy these records or papers at any reasonable time during the preparation and pendency of the motion.

10-411.

(a) Law enforcement agencies in the State shall register with the Department of Public Safety and Correctional Services all electronic, mechanical or other devices whose design renders them primarily useful for the purpose of the surreptitious interception of wire and oral communications which are owned by them or possessed by or in the control of the agency, [then] THEIR employees or agents. All such devices shall be registered within ten days from the date on which the devices came into the possession or control of the agency, their employees or agents.

(b) Information to be furnished with such registration shall include the name and address of the agency as well as a detailed description of each device registered and further information as the [director] STATE COURT ADMINISTRATOR may require.

(c) A serial number shall be issued for each device registered pursuant to this section, which number shall be affixed or indicated on the device in question.
