

There is a Waterway Improvement Fund for the purposes specified in this subtitle. Except as provided in § 8-709, any money received into the Waterway Improvement Fund shall be used solely for the following projects:

(6) Evaluation of water-oriented recreation needs and recreational capacities of Maryland waterways, and development of comprehensive plans for [waterways] WATERWAY improvements; and

8-9A-03.

(g) (2) (ii) In issuing any manner of permit or approval to any person to modify or renovate any existing structure or to modify the use of any open land area in the 100-year floodplain of the nontidal Jones Falls, Baltimore City, or Baltimore [County] COUNTY, shall impose conditions to require that risk of injury to persons or property shall be minimized to the greatest extent practicable.

9-202.

(c) (6) If the licensee desires to continue maintenance dredging beyond the expiration date authorized in [item] PARAGRAPH (5) OF THIS SUBSECTION, [he] THE LICENSEE must obtain a new license by submitting an application to the Board for review in accordance with the procedures of this section.

10-803.

(a) If the Department considers it in the State's best interests and the Governor consents, it may exchange any area of land or water or part it owns together with any improvement on it, for any privately owned area of land or water equal to or greater in value than the area of land or water the Department exchanges and adapted for wildlife refuge and management. Also, the Department may sell any area of land or water or part of it owned by the Department to the person who offers the highest price.

(b) The Department may use any acquired area of land or water as a State park.

(c) The Attorney General shall prepare any deed necessary to complete the exchange or sale of the area of land or water. The Secretary shall execute the deed. The net proceeds of any sale shall be deposited with the State Comptroller and placed to the credit of the [State Game Protection Fund] STATE WILDLIFE MANAGEMENT AND PROTECTION FUND.

10-804.

An acquired area of land or water may be used to create and maintain State wildlife refuges, for wildlife management, and hunting grounds as the Department deems advisable for hunting grounds. The Department may cut and remove and sell, or permit
