

- (2) AUTHORIZING EXPENDITURES; AND
- (3) BALANCING BOOKS AND ACCOUNTS.

REVISOR'S NOTE: Chapter _____, Acts of 1985, which enacted the State Finance and Procurement Article, also enacted this section, which is new language derived without substantive change from former Art. 81, § 29A(b) and the first sentence of § 2(20a), as those provisions related to political subdivisions.

In subsections (a) and (b) of this section, the word "special" is added to modify the term "taxing district", to standardize the references to these subdivisions. Similarly, the phrase "municipal corporation" is substituted for the former phrase "incorporated city or town".

In subsection (a) of this section, the former phrase "beginning July 1, 1966" is deleted as obsolete.

The second sentence of former Art. 81, § 2(20a), which cited former Art. 81, § 29A, is deleted as obsolete in light of the revision of the provisions of former Art. 81, §§ 2(20a) and 29A(b) together in this section, for political subdivisions, and in SF § 2-101, for the State.

As to the fiscal year of political subdivisions, see also Art. 19, § 35.
