

(2) AT THE MEETING, THE INDIVIDUAL MAY NOT VOTE, BUT MAY GIVE AN OPINION ON ANY MATTER BEING CONSIDERED OR DISCUSSED.

REVISOR'S NOTE: Chapter ____, Acts of 1985, which enacted the State Finance and Procurement Article, also enacted this section, which is new language derived without substantive change from former Art. 41, § 80.

In subsection (b) of this section, the duty to "represent the Governor" is substituted for the former reference to "said representative of the Executive Department", for clarity. In some instances, the term "Executive Department" seems to encompass the entire Executive Branch of the State government. However, in subsection (b) of this section, the former reference seemed more limited.

Also in subsection (b) of this section, the former phrase "from time to time" is deleted as surplusage.

In subsection (c) of this section, the former word "question" is deleted as unnecessary in light of the broad word "matter".
