

In subsection (d) of this section, the former references to "rules" are deleted as included in the references to "regulations" since it is the practice of the Division of State Documents to use "rule" with respect to judicial or legislative units and "regulation" with respect to other units.

In subsection (d)(1) of this section, the former words "amend" and "repeal" are deleted as superfluous since the amendment or repeal of a regulation is accomplished through the adoption of a later regulation.

The first and second sentences of former Art. 81, § 224A(b), which provided for the publication of proposed regulations and for a hearing on proposed regulations, are deleted as misleading and, in any event, superfluous in light of the provisions of Title 10, Subtitle 1 of the State Government Article "Administrative Procedure Act -- Regulations".

Defined terms: "Administrator" § 3-101
 "Board" § 3-101 "County" § 1-101
 "Includes"; "including" § 1-101
 "Member" § 3-101
