

(ii) The Maryland Transportation Plan shall be expressed in terms of program objectives and shall include a summary of the types of projects proposed to accomplish the program objectives using an inter-modal administration approach when feasible.]

(3) [The] ON OR BEFORE THE 3RD WEDNESDAY OF JANUARY OF EACH YEAR, THE Secretary shall submit the State Report on Transportation[, subject to § 2-1312 of the State Government Article,] to the General Assembly [by the third Wednesday of January of each year], SUBJECT TO § 2-1312 OF THE STATE GOVERNMENT ARTICLE.

REVISOR'S NOTE: Chapter ____, Acts of 1985, which enacted the State Finance and Procurement Article, also amended subsections (a) and (e) of this section and deleted subsection (e-1) of this section.

Chapter ____, Acts of 1985, designated the provisions of former subsection (a) as paragraph (1) and added paragraphs (2) and (3), which are derived without substantive change from former § 2-103.2 of this subtitle.

In subsection (a)(2) and (3) of this section, respectively, the references to the "budget request that the Secretary submits" and to the "proposed budget of the Governor" are substituted for the former references to "each budget of the Department" and "the budget request for the Departmen[t]". The substituted references distinguish between the budget proposal of the Secretary under subsection (a)(2) of this section and the budget proposal of the Governor under SF § 7-110 and, thus, clarify that the report under subsection (a)(3) of this section is based on the Governor's budget proposal.

In subsection (a)(2) of this section, the reference to "separate items" is substituted for the former references to "separate budget or budgets", to avoid using the word "budget" in reference to the whole proposal and its parts.

In subsection (e)(2) of this section, the introductory cross-reference "[i]n accordance with § 2-103.1 of this subtitle" is added to reflect that Ch. ____, Acts of 1985, consolidated all of the substantive requirements as to the State Report on Transportation, including former subsections (e)(2) and (e-1) of this section. See revisor's note to § 1-101 of this article.
